1982

Doug,
V really feel good being the only one to sign your year book! You asked me so sweet + put it so kind I have so, so much V to say but I don't know where to start. V guess V'll just put the basics! V Love you!!! V Love you!!! V Love you!!! V

V can't say do, but V will try to make anymore big things in the summers in the future mainly with you + you're not there. V'm very, very sorry for the bad things V did. V know we can't change it all though + we are both very sorry + we'll just have to learn from our mistakes + move on. Skell this past year has been the worst ever but I'm so very glad I met you. You're the best guy in the world - you of course! - Doug

P.S. Stay back when you're really famous + we are forgiven me + we're not going to happen to us anymore. Like gotta keep it up! V that I met you in September 1981 V really are the best, to me, for me + we can't V hate each other. Ske'll will be, it wouldn't be hard to make the summers like last summer. Ske'll V hate anything that has ever happened to us. Stay back when you're famous! V love you!!! V love you!!! V love you!!! V

P.S. Thank you for the letter + the poem. V'm so very sorry V did that to you. V know we did some things that hurt us both but we did learn a lot from them + we can't V hate each other. Even though it was the WORST thing that has ever happened to us, it wouldn't be hard to make anything like that happen again, V know we can get through it all though + we are both very sorry + we'll just have to learn from our mistakes + move on. Skell this past year has been the best ever but I'm so very glad I met you. You're the best guy in the world - you of course! - Doug

SENIORS

Grateful

Our first year here we were grateful to be in school,
except for being initiated, pushed, shoved, and treated cruel,
But our second year here we were sophomores and really cool,
we did the intiating and making others look like the fool.
Our Junior year we hoped and waited for '82,
showing off our cars and the fact that we were Juniors was all that we knew.
Our Senior year we were grateful we made it through.

LOVING MEMORIES

Your gentle face and patient smile
With sadness we recall
You had a kindly word for each
And died beloved by all.

The voice is mute and stilled the heart,
That loved us well and true,
Ah, bitter was the trial to part
From one so good as you.

You are not forgotten loved one
Nor will you ever be,
As long as life and memory last
We will remember thee.

We miss you now, our hearts are sore,
As time goes by we miss you more,
Your loving smile, your gentle face,
No one can fill your vacant place.
